To Whom It May Concern:

Festival Hydro Inc. would like to take this opportunity to notify you that the existing electric lines in the area stated above will be upgraded, including the installation of new poles and transformers. This work is scheduled to begin on or about Nov. 10th, 2011. This project is part of our commitment to ongoing system improvements and reliability.

During construction we will endeavour to keep traffic and power disruptions to a minimum, however, some interruptions will be required in order to complete work. Festival Hydro will attempt to notify you in advance of any interruption.

We thank you for your cooperation and invite you to contact this office if you have any questions.
