

Addendum No. 1

Date Issued: February 16, 2017

This addendum is issued for RFQ-PW-04-2017 Crush, Screen and Stockpile Granular Material for the Town of St. Marys issued this 16th day of February, 2017.

Information to Proponents – Section 5.3 Clean-Up shall be deleted in its entirety and replaced with the following:

The proponent will be responsible to contain and dispose of all metal and debris into proper recycling bins. Scrap metal generated through this RFQ shall become the property of the Contractor. The Site must be cleaned and levelled off to the satisfaction of the Supervisor of Public Works or designate.

As this addendum forms an integral part of the aforementioned Request for Tender, each bidder shall duly acknowledge (by signing below) that they have been made aware of this change. The signed addendum must be submitted with the bid to form a complete quotation document.
