St. Marys is unique in its addressing protocol set up many years ago with Canada post regarding our P.O. Box System, and the term STN MAIN. During the sign up process you will be taken to a screen that will prompt you to enter your information manually.

Two points:

1. You must enter the word MAIN in the station field.
2. You must enter ST MARYS with no period and all capitals in the city field.

Please see the guide below for assistance to set up your epost account.

Privacy & Terms

Please provide us with your full name, mailing address and phone number so that we can activate your Mailbox. Your information is kept private and as epost evolves, you will have the opportunity to make a virtual connection between your Digital Mailbox and your physical mailing address, providing you with the ability to receive a broader range of mail electronically. epost provides greater choice, access and convenience for your digital mail.

You should know that:

- All mail is delivered and stored securely
- Your mail is delivered by Canada Post and is protected under the Canada Post Act
- The Electronic Postmark™ certifies that your mail has not been altered or tampered in any way

Rest assured, your peace of mind is important to us.

Security Question and Answer

epost uses your security question and answer as an extra safeguard on your account. If you forget your password and you are able to answer your security question correctly, you will be able to reset your password online. Our service agents may ask you about your security question on the telephone, to help establish your identity. We encourage you to pick a security question that is easy for you to answer correctly, but hard for others to do so.

Security Check: CAPTCHA

epost uses a CAPTCHA security check for a human response test.

A CAPTCHA is a program that can tell whether its user is a human or a computer. CAPTCHAs are used by epost and many other webs services to prevent abuse from automated programs written to generate spam or attack web services. The CAPTCHA helps protect epost and your

At this screen, chose "Manually Enter Address"
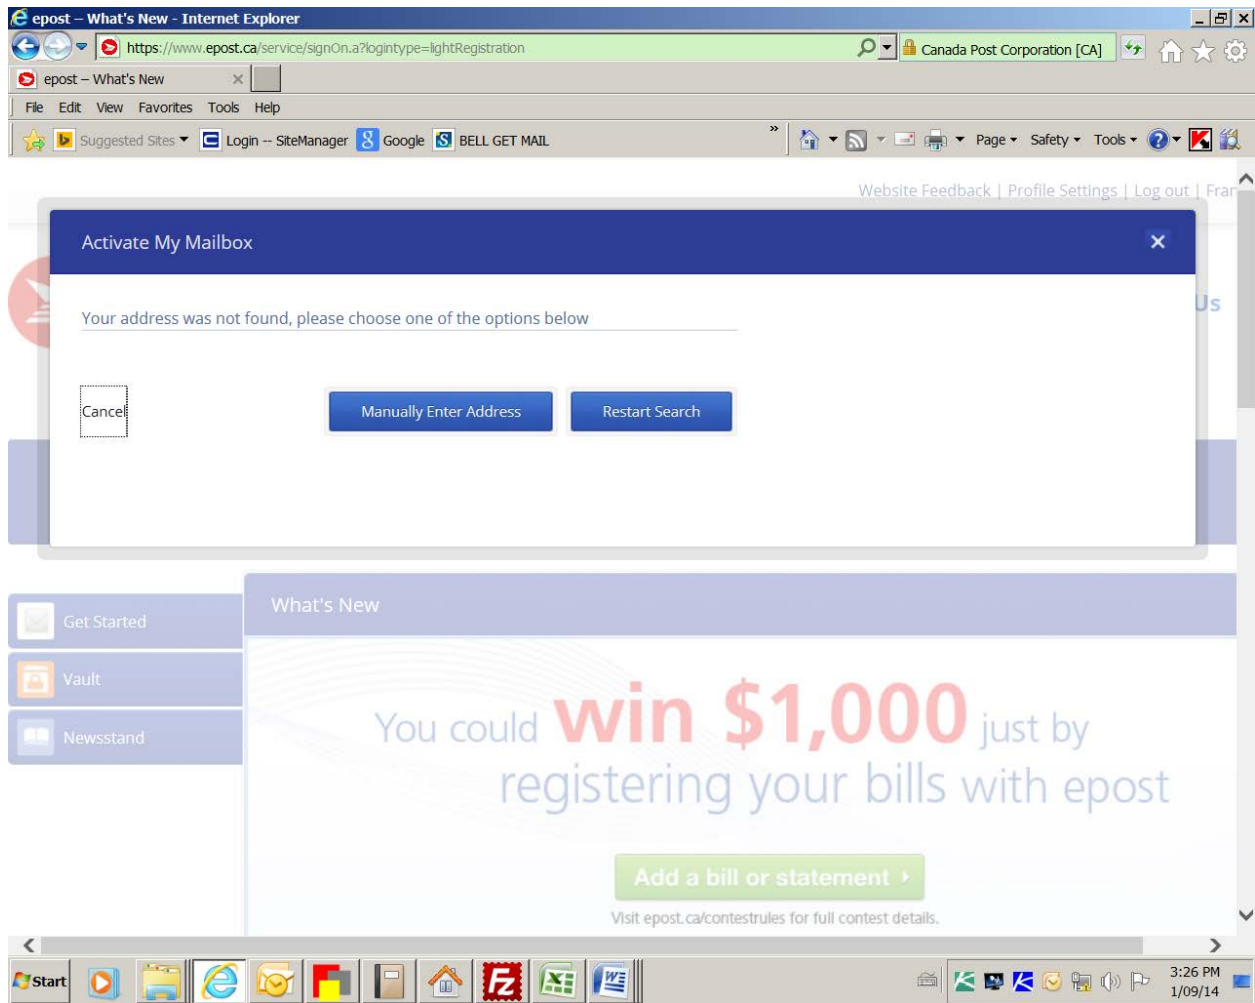

Please type MAIN in the station field and ST MARYS (no period, all capitals and no apostrophe).

Please choose confirm address at this screen. Thank you.
