February 25 Session: clerksoffice@town.stmarys.on.ca

March 25 Session: elections@pertheast.ca

Experienced and knowledgeable trainers from Clerks On Call will guide prospective election candidates through the essential information they need before deciding to run for municipal office.

This includes:

- reasons to run or not run for council
- personal and financial considerations before running
- roles and responsibilities of council and staff
- powers and influence of municipal government and council members
- governance, legislative, and decision making processes
- transparency and accountability in local government
- general campaign information
- media and public engagement strategies
