

## KNOW WHEN TO GO

If a fire broke out tonight while you were sleeping, would you and your family get out alive?

You must develop a home fire escape plan now and practice it regularly.

Make sure every family member knows two ways out of your home.

Establish a family meeting place away from the house so that everyone can be accounted for and call the fire department from a neighbour's home.

Never re-enter a burning building to try to save possessions.

A message from the Fire Marshal's Public Fire Safety Council and your fire department.
